Description

Antaris Connery 29 This beautifully kept Antaris Connery 29 benefits from 4 berths over 2 cabins. Whether you are going for a day trip or a long weekend away, your stay on the water has never been more comfortable. With a luxury cabin, toilet, sink and cooking facilities, the boat is very well set up for day trips and trips away. The high rear helm position gives the skipper a great viewing position whilst also having the option to socialise with guests. Powered by a 140hp Vetus diesel engine and bow thruster, the Connery 29 is very manoeuvrable and also incredibly stable.
