## Description

### 25ft Slipper Stern Launch

Originally built in the Andrews Style with Brazilian Mahogany and Obeche hardwood decking. This was the first of its kind built by the legendary Dave Brownjohn of Freebody's boatyard in 2000, she has a GRP hull and has just had a full restoration by Dave's son Paul Brownjohn and is as new. She has a Ford Sea Tiger Engine, 4 Lloyd Loom chairs, a rear bench seat and can seat 6 people. She is a stunning example of a slipper launch and is up for reluctant sale, as a new business has meant that the owner has not been able to use her once since her restoration and he feels that she deserves to be out on the water with someone who will appreciate this stunner. There is a full gallery of the restoration available.

## Information & Features

### Ford Sea Tiger (Engine 1)

Fuel Type: **Petrol**

### Dimensions

LOA: **25 ft**
